Dear Mom & Dad,

Helen & Bob and Sue and the kids took the train up to Philadelphia early this morning and are due home late tonite. Diane went to summer school today, her speech class, played at Katherine's and now is watching the Brady Bunch.

We had a lot of fun last night. The fireworks had been cancelled the night before due to rain so they held all the events yesterday. We heard a concert on the lawn of the Capitol, and then walked down to the Washington Monument to watch the fireworks.

Our weather has been pretty nice back here & still hasn't gotten real hot and humid,

so I guess we're lucky. We still haven't had a chance to use Jim's pool, but maybe will next week. Mike's folks leave Thursday morning.

It sounds like you're enjoying your lawn work. I'm so glad you decided to play duplicate, and I plan to play with each of you some nights when I'm home. Mike will have a lot of meetings scheduled, so I think it would be fun to try some of the Clubs there.

I don't want to miss too much of my class, so probably will come home about a week and a half around the 10<sup>th</sup>.

Well, Diane & I are going to have dinner now, so I'll talk to you later.

P.S. This letter from here, Mary Diane is really in her own words.
